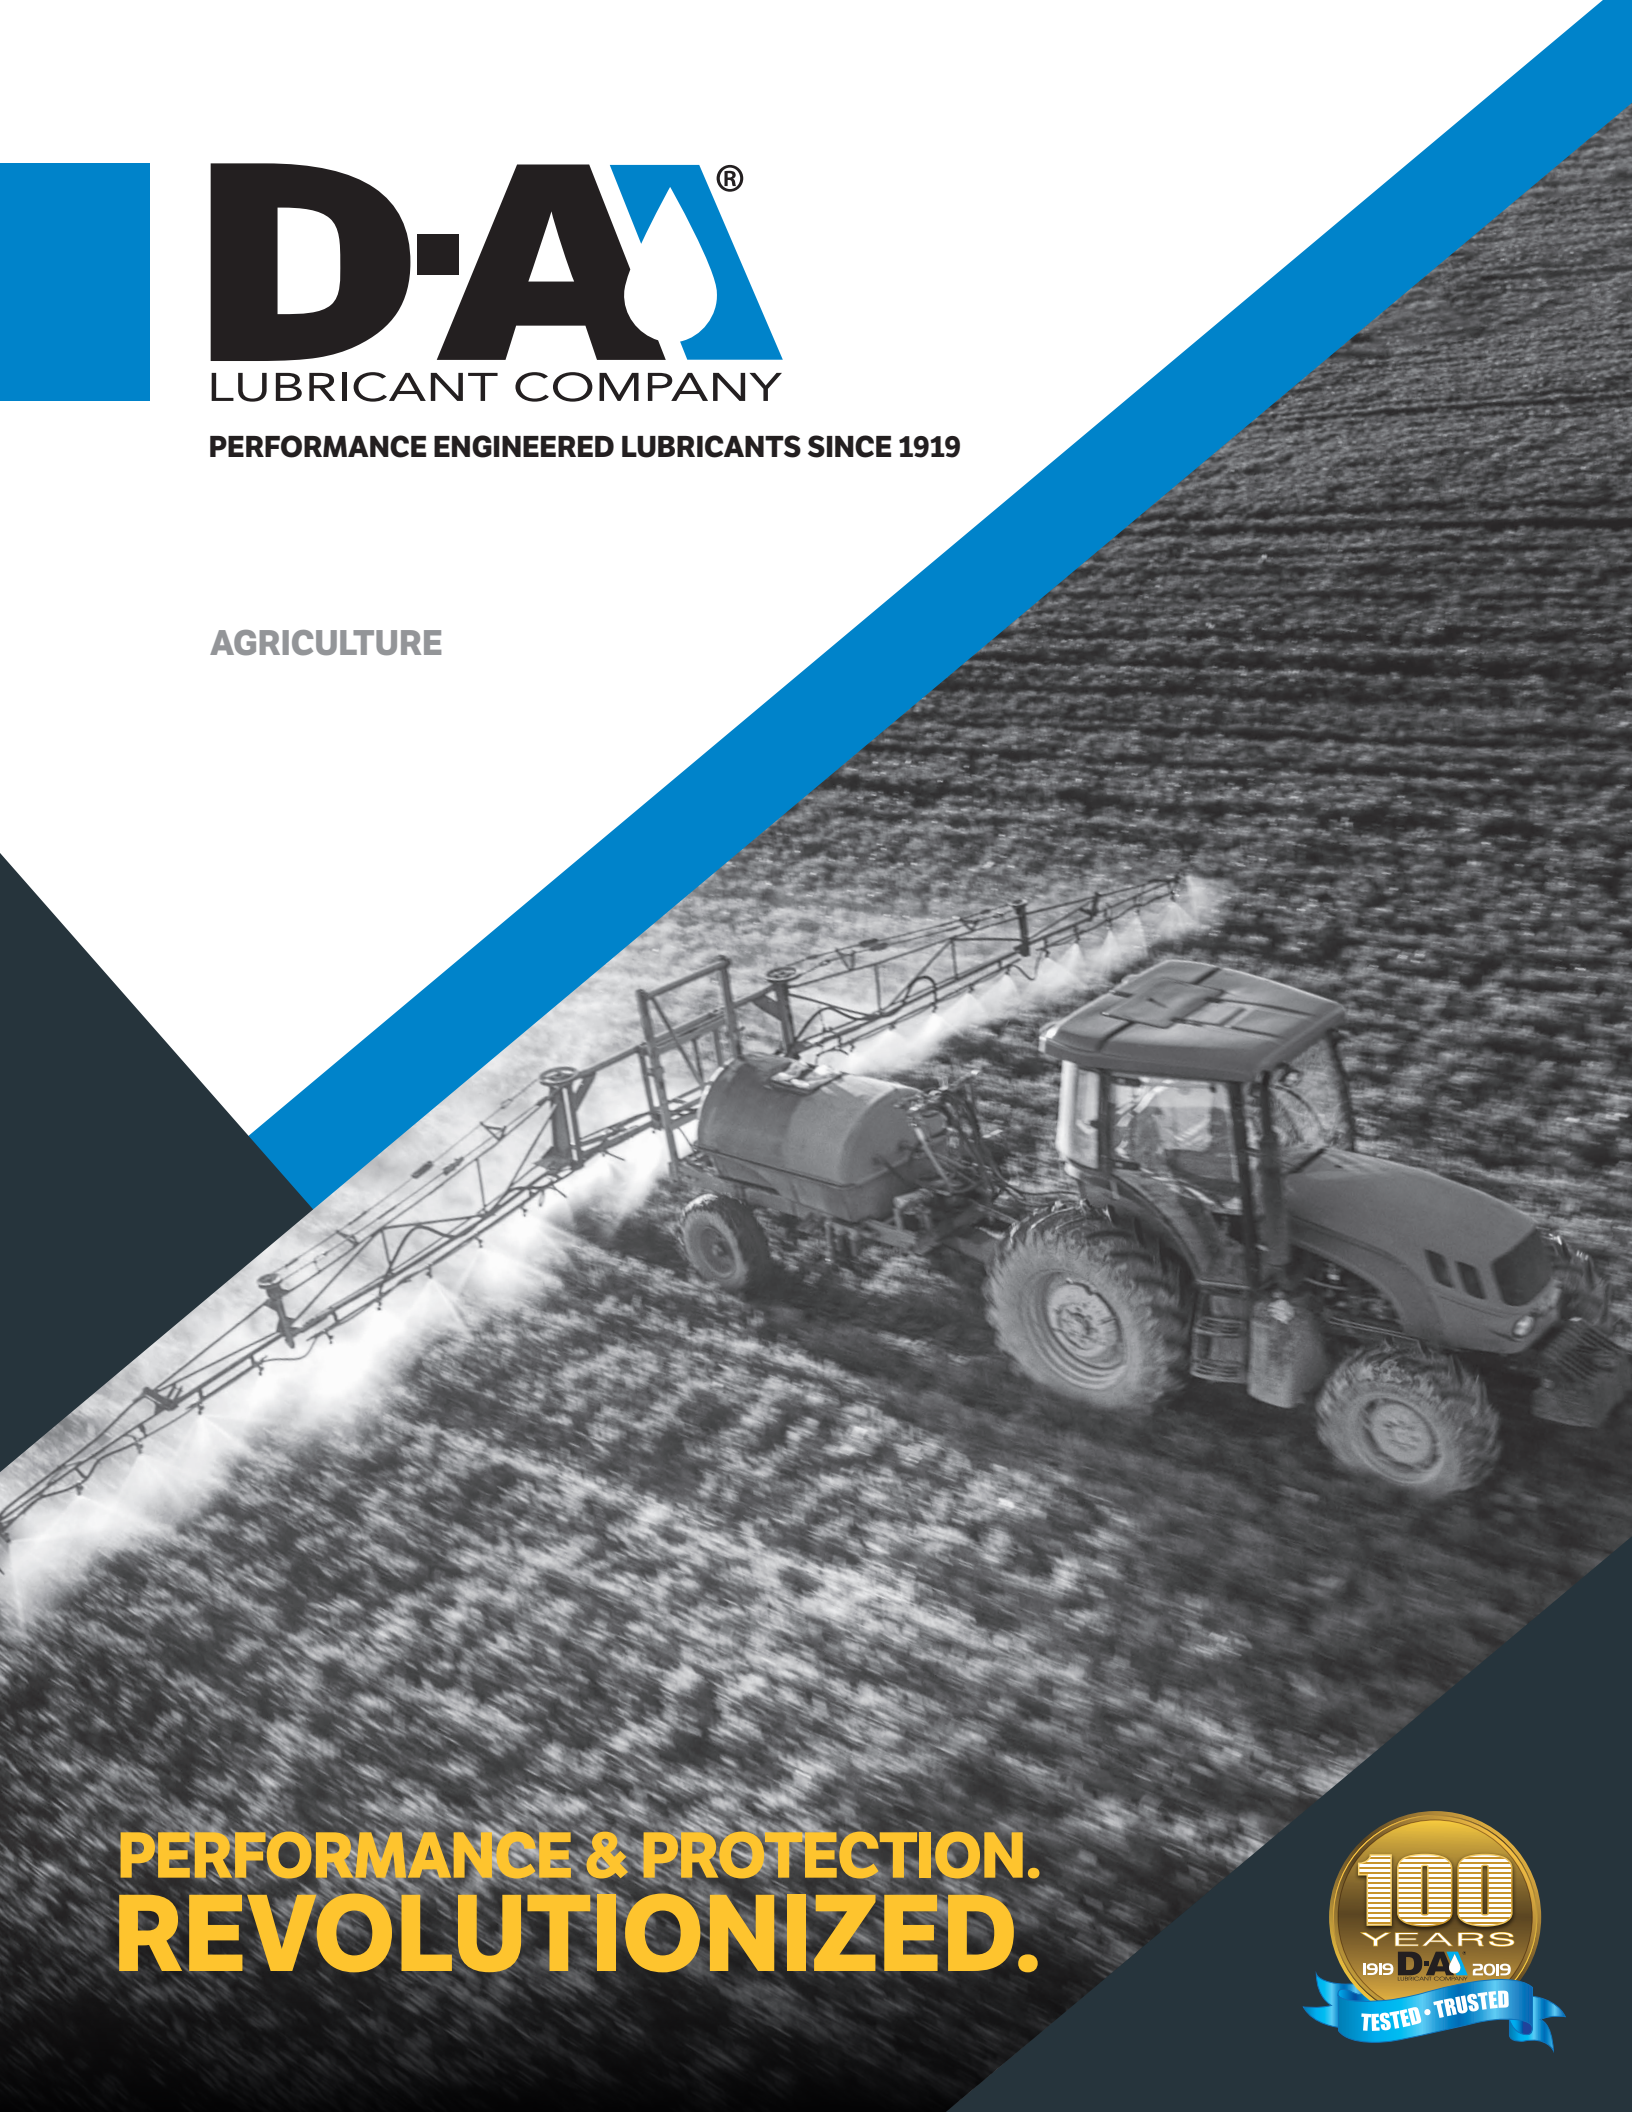
D-A®
LUBRICANT COMPANY

PERFORMANCE ENGINEERED LUBRICANTS SINCE 1919

AGRICULTURE



PERFORMANCE & PROTECTION. REVOLUTIONIZED.

100 YEARS 1919 D-A LUBRICANT COMPANY 2019 TESTED • TRUSTED

LESS INTERRUPTIONS MEAN MORE HOURS IN THE FIELD

The standard of quality since 1919. Your agricultural equipment needs strong protection when facing tough conditions. D-A Lubricant Company's high-quality products keep your gear functioning. With our lubricants, your agricultural equipment will **perform efficiently** to maximize production, **operate safely** and **work reliably**. We offer the ultimate protection for your equipment.

THE EXPERTISE

D-A Lubricant Company has the expertise to boost agricultural production. Farms must be productive and competitive while observing environmental standards. If you work in agriculture, your equipment is vital to productivity.

From tractors, trucks, combines, balers or other agricultural machinery, it's critical to keep your equipment running to its optimal level.

ALWAYS GROWING

D-A provides agricultural growth, efficiency and use of new science. With our comprehensive and dependable lubrication program, D-A can protect your equipment, increase production, and save you time and money. With our services and products, you can rely on your agricultural equipment. Let our D-A team help you take care of it.

AGRICULTURE AND THE D-A DIFFERENCE

- Unparalleled knowledge of best practices for agriculture equipment and services
- Unmatched commitment to the needs of agricultural businesses – nationally and globally
- Innovative product technology, value-added solutions and unique supply chain alternatives to lower direct and indirect costs

It pays to use the most dependable, highest quality D-A oils, lubricants and coolants. Keep your equipment running in the field and agricultural vehicles operating at full force.
