PRIVATE LABELING AND CUSTOM PACKAGING

D-A Lubricant Company offers in-house private labeling with custom mixing (packaging in quart and gallon) for all lubrication products.

We offer a nationwide, on-time delivery at OEM distribution centers and retail locations. Our branded lubrication products are shipped direct from D-A Lubricant Company's multiple supply points.

CLS DATALINK PROGRAM

D-A Lubricant Company is on the leading edge of big data management with the Controlled Lubrication Services DataLink program. Send in used oil samples and within 48 hours you'll receive complete lab results, including trend data that can be used to extend service intervals and plan preventive maintenance.

The CLS DataLink online dashboard allows 24/7/365 access to reports. Testing will measure the presence of wear metals, dirt, coolant contamination, fuel dilution, viscosity, TBN, oxidation and nitration and Total Acid Number (TAN).
