D-A®
LUBRICANT COMPANY

PERFORMANCE ENGINEERED LUBRICANTS SINCE 1919

LOGGING

PERFORMANCE & PROTECTION. REVOLUTIONIZED.

D-A LUBRICANT COMPANY
TRUSTED SINCE 1919

LESS INTERRUPTIONS MEAN MORE HOURS ON THE JOB

The standard of quality since 1919. Your logging equipment needs strong protection when facing tough conditions. D-A Lubricant Company's high-quality products keep your gear functioning. With our lubricants, your logging equipment will **perform efficiently** to maximize production, **operate safely** and **work reliably**. We offer the ultimate protection for your equipment.

THE EXPERTISE

D-A Lubricant Company has the expertise in logging. Loggers must be productive and competitive while observing environmental standards. If you work in logging, your equipment is vital to productivity. D-A Lubricant Company has the expertise to boost logging production.

ALWAYS GROWING

D-A provides logging growth, efficiency and use of new science. With our comprehensive and dependable lubrication program, D-A can protect your equipment, increase production, and save you time and money. With our services and products, you can rely on your logging equipment. Let our D-A team help you take care of it.

TIMBER-FOREST SUCCESS

For equipment ranging from log skidders to log hauling trucks D-A Lubricant Company's timber and forest products exceed manufacturers' specifications. Balance low maintenance costs with high productivity. To keep your logging equipment running smoothly, D-A Lubricant experts work for you. Our engineers provide hands-on lubrication solutions to help keep your business moving.

LOGGING AND THE D-A DIFFERENCE

- Unparalleled knowledge of best practices for logging equipment and services
- Unmatched commitment to the needs of logging businesses – nationally and globally
- Innovative product technology, value-added solutions and unique supply chain alternatives to lower direct and indirect costs
