The Original Green Oil®

A product of D-A Lubricant® Company, **PennGrade 1® High Performance Oil is "The Original Green Oil®."** With its tenacious clingability and enhanced levels of zinc and phosphorous chemistry, PennGrade 1® gives your hard-working engine the performance and protection it demands and deserves.

PennGrade 1® High Performance Oils reduce internal friction for increased horsepower output while maintaining their strong lubricating film protection even under the most demanding torque and extreme temperature conditions.

- **Superior film strength and protection under demanding conditions**
- **Anti-foam inhibitors to protect against air entrainment**
- **Detergent and dispersant additives for engine cleanliness**
- **Oxidation inhibitors for high temperature stability/protection against thermal degradation**

PENNGRADE® HIGH PERFORMANCE OIL

PENNGRADE 1® HIGH PERFORMANCE OILS

Strong detergency, dispersants and enhanced levels of ZDDP anti-wear additives protect critical engine components from deposits and wear in highly-stressed engines. Over the life of your engine, they reduce internal friction, facilitate cooler/cleaner operation, increase horsepower and provide unequaled wear protection.

BREAK-IN OIL SAE 30

PennGrade 1® Break-In Oil SAE 30 provides wear control for critical engine parts while allowing the engine components to seat, resulting in maximum engine performance and life. It is formulated with premium base stocks and a state-of-the-art additive system.

ENGINE ASSEMBLY LUBRICANT

Is a premium high-viscosity lubricant specifically designed to offer additional protection for “green” moving surfaces in engine assembly applications. Its premium base oil provides higher load-carrying ability and excellent surface film protection to prevent wear in highly-stressed internal components.

THE PENNGRADE 1® LEGACY

Based in Lebanon, Ind., our company has Indiana roots as deep as the traditions and values of the "Hoosier" state. The D-A Lubricant Company® has been the proud manufacturer of quality lubricant products since 1919.

PennGrade® Motor Oil is built from the legacy of PennGrade 1® High Performance Motor Oil, or "The Original Green Oil®." PennGrade 1® uses a unique base oil cut and the specially selected high-zinc, high-phosphorus formulation that's been known and trusted by high-performance engine builders and vehicle owners for decades.
