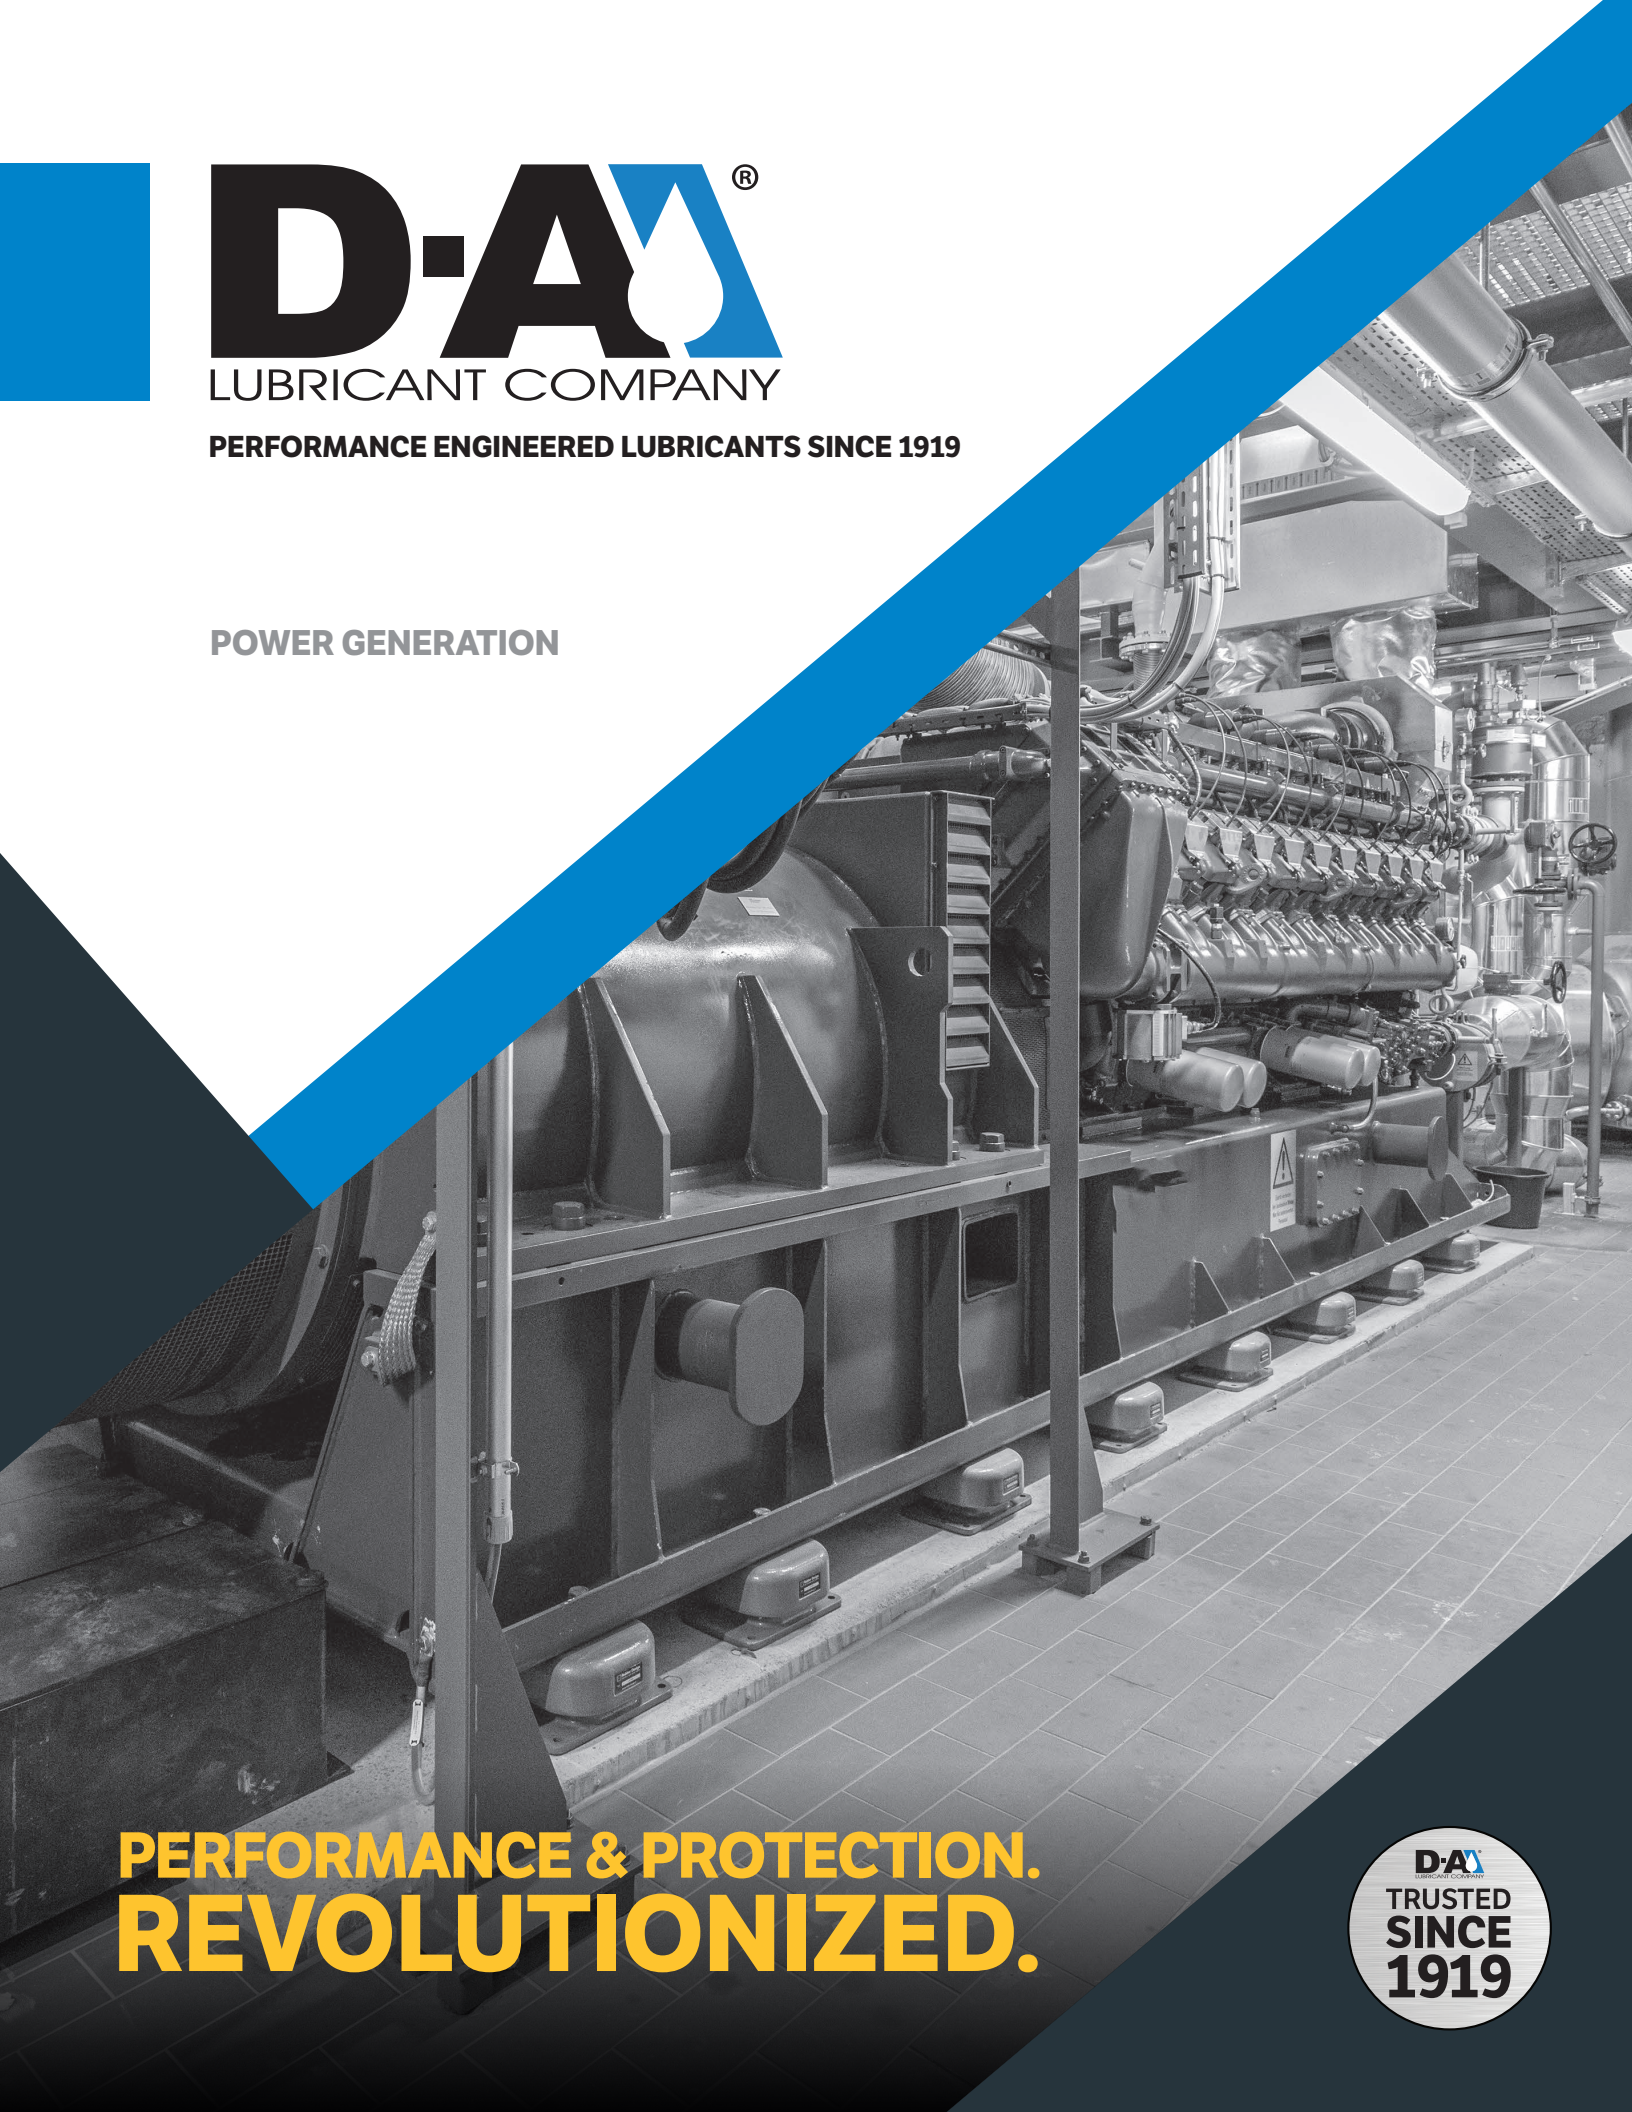
D-A®
LUBRICANT COMPANY

PERFORMANCE ENGINEERED LUBRICANTS SINCE 1919

POWER GENERATION



PERFORMANCE & PROTECTION. REVOLUTIONIZED.

D-A LUBRICANT COMPANY
TRUSTED SINCE 1919

D-A LUBRICANT COMPANY

The standard of quality since 1919.
Your power generation equipment needs strong protection. D-A Lubricant Company's high-quality products keep your internal components functioning. With our lubricants, your equipment will perform efficiently to **maximize production**, **operate safely** and **work reliably**. We offer the ultimate protection for your equipment.

ULTIMATE POWER PROTECTION

For both renewable and conventional energy-generation industries D-A's lubricants are designed to help enhance equipment dependability and operating time. The D-A Lubricant Company is ready to respond with dependability and solutions.

With a deep understanding of power plants and their unique requirements, our services include high-performance industrial lubricants for power generation.

- **Landfill/Wastewater Treatment - Natural Gas Recovery**
- **Farming NGR/Cogeneration (AD – Biogas/Anaerobic Digesters)**
- **Natural Gas – production (field gas/ predominantly methane), Processed Natural Gas for transportation (CNG, LPG, LNG)**

Power from the Beginning

D-A Lubricant Company has more than 100 years of experience in the power generation industry. Our expertise set production standards, offering a wide range solutions and services. D-A industrial lubricants are designed to help enhance equipment reliability and uptime for both traditional and renewable energy-generation industries.

Unmatched Services

We deliver value of ownership, the most advanced technology and second-to-none support. With a full range of diesel and natural gas engine oils, we deliver options designed to meet your specifications. You'll see the value working with D-A Lubricant's power generation products and support team. The result is a package designed specifically for your job. We offer solutions for prime and standby power generation with the people, processes and products to make it happen.
