OPTIMAL FUNCTION AND OPERATION

D-A LUBRICANT COMPANY

The standard of quality since 1919.
D-A Lubricant Company is leading the transformation and creation of the future of lubricant performance and protection. We constantly evolve and improve formulations with innovative chemistry and help businesses run more efficiently.

D-A Lubricant Company
Keep your wheels turning with D-A. Backed by more than 100 years of experience, D-A industry-leading products provide dependable, high-quality oils, lubricants and coolants to keep your public transportation vehicles on the road. Our revolutionary products lower intake, disposal and labor costs, while extending oil drain intervals.

It pays to use the most dependable, highest-quality oils, lubricants and coolants to keep your vehicles on the road in peak condition. When it comes to public transportation operators, D-A Lubricant Company understands that success centers uponon-time completion of the job with minimal cost. Long engine life and efficient, economical operation are the keys to achieving this goal.

MADE IN USA

PUBLIC TRANSPORTATION SUCCESS

For vehicles ranging from public transportation to dump trucks and long-haul big rigs, D-A Lubricant Company's transportation and public transportation fleet products exceed manufacturers' specifications.

Balance low maintenance costs with high productivity. To keep your public transportation fleet running smoothly, D-A Lubricant experts work for you. Our engineers provide hands-on lubrication solutions to help keep your business moving.

- Safely extend drain intervals
- All-weather performance
- Improved fuel economy
- Longer equipment life
- Less downtime
